Benguet State University

Benguet State University

Benguet State University

Benguet State University

As an institution of higher learning, Benguet State University is created by PD 2010 to carry out programs along instruction, research, extension, and agribusiness through dynamic and responsible governance. It started as the La Trinidad Farm School with 30 Grade V pupils in 1916. It became a University in 1986 by virtue of the Presidential Decree 2010 signed by former President Ferdinand E. Marcos in 1986.

At present, the University maintains a Graduate School, the Open University, 14 colleges, and offering 46 advanced studies and 34 undergraduate degrees, and a number of diploma/certificate special short courses. The research and extension programs are pursued to enhance the impact of these curricular offerings as well as to help improve the livelihood and health of the communities it services. The production sector serves as a lifeline that provides additional resources to carry out the various operations of the University and a sound avenue as well to showcase that the technologies generated are economically feasible, socially acceptable, and environment-friendly.

Its status as a CHED-SUC-Level-IV University has been mainly attributed to the majority of its programs, projects, and activities having attained Level III based on the standard of the Accrediting Agency of Chartered Colleges and Universities of the Philippines (AACUP).

At present, the University consists of three campuses. The Main campus is sprawled on a 605.7855 hectare-land grant in the heart of La Trinidad, the capital town of the Benguet Province about 255 kilometers north of Manila and 5 kilometers away from Baguio City. The Buguias Campus formerly the Buguias-Loo Polytechnic College integrated to the University in 2001 is 81-km away from the La Trinidad campus while the Bokod Campus formerly the Benguet School of Arts and Trades integrated in 2002 is 51-km away.

The University is governed by a Board of Regents whose composition as the policy-making body is made up of the CHED Chairperson/Representative as Chair, the University president as Vice-Chair, and the following as members: legislators both from the upper and lower houses, regional directors of Government Line Agencies, prominent private citizens, federated faculty representative, federated supreme student government, and an alumni representative.

COLLEGE OF AGRICULTURE

■ Bachelor of Science in Agriculture

Major In:

- Agricultural Economics
- Animal Science
- Agroforestry
- Extension Education
- Organic Agriculture
- Agronomy
- Horticulture
- Plant Breeding
- Beekeeping
- Mushroom Science
- Plant Pathology
- Entomology
- Serviculture
- Soil Science

■ Bachelor of Science in Agribusiness

Major In:

- Financial Management
- Marketing Management
- Local Agribusiness Management

Master of Science in:

- Agribusiness Management
- Agricultural Economics
- Agroecology
- Agronomy
- Animal Science
- Entomology
- Horticulture
- Plant Pathology
- Rural Development
- Soil Science

Doctor of Philosophy in:

- Agronomy
- Horticulture
- Rural Development

BACCALAUREATE DEGREES

ADVANCED STUDIES

College Goals:

- To provide knowledge skills in agriculture and related fields towards enhancement of the individual's productivity and professional leadership.
- To develop the ability of the students for critical thinking and inquiry, research and extension activities including professional leadership in agriculture.
- To train agriculturists who are highly motivated as well as morally and socially responsible.
- To train agricultural scientist, farm practitioners, managers and agricultural entrepreneurs.

College Goals:

- Achieve high-level of technical expertise in forestry and related fields by engaging in forest and natural resources conservation and restoration;
- Generate useful environment friendly technologies to sustain forest ecosystem services;
- Become dynamic change agents instituting sustainable forestry;
- Pursue lifelong learning, such as graduate studies and or other scholastic undertakings; and
- Practice their chosen profession guided by appropriate social values and virtues.

COLLEGE OF HOME ECONOMICS AND TECHNOLOGY

BACCALAUREATE DEGREES

- Bachelor of Science in Entrepreneurship
- Bachelor of Science in Hospitality Management
- Bachelor of Science in Nutrition and Dietetics
- Bachelor of Science in Food Technology
- Bachelor of Science in Tourism Management

ADVANCED STUDIES

- Master of Arts in Home Economics
 - Master of Arts in Technology and Vocational Studies
 - Master of Science in Nutrition and Dietetics

College Goals:

- Develop globally competitive graduates with high ethical standards, relevant knowledge and skills to face the demands of technological advancement and societal developments; and
- Enhance and strengthen the quality of research and extension services in home economics; entrepreneurial technology; nutrition and dietetics; and hotel and restaurant management.

OFFICE OF STUDENT SERVICES

The Office of Student Services (OSS) was re-organized on June 10, 2013 and is directly under the jurisdiction of the Office of the Vice President for Academic Affairs. The OSS aims to develop, implement, and monitor programs that come in the form of academic support experiences. These programs eventually lead to the holistic development of each BSU student.

■ Student Development Services (SDS) Division

The SDS Division banners growth, improvement, training and promotion of sustainable endeavors of all onafide BSU students and alumni. Under the SDS Division include the following.

Services Offered

● Student Discipline Unit

- prompt attendance to complaints or grievances referred to the SDU by the OSS-SDS;
- monitoring of the implementation of disciplinary sanctions;
- preparation of Certificates of Good Moral Character (CGMCs) to requesting party/ies;
- handling of clearances being sought by students and other requesting parties, and
- preparation and provision of reports required for institutional accreditation in support to requesting Institutes and / or College.

● Student Organizations and Activities Units

- a. processes and screens application of student organizations;
- monitors the activities of Recognized Student Organizations (RSOs);
- valuates the RSOs' performance for the school year;
- recognizes the outstanding contributions of student leaders and RSOs; and
- facilitates invitational training programs, seminars / workshops, and competitions for BSU students.

● Student Scholarships and Grant Unit

- networking with scholarship and grant sponsors;
- selection of scholars and grantees;
- processing of scholarships and grants during enrollment; d
- preparation of billings and accounts;
- monitoring of scholars and grantees;
- preparation of reports and submission to sponsors;
- frontline assistance to walk-in clients, and
- preparation and furnishing of accreditation requirements.

■ University Health Services (UHS) Division

The UHS Division is committed to provide quality health care to students, employees and their immediate dependents (spouse and their children 18 years old and below).

- Medical Clinic
- Dental Clinic

■ Student Wellness Services (SWS) Division

The SWS Division is concerned with activities that facilitate the academic, vocational, social and personal growth and development of each BSU student. Under the SWS Division include the following:

● Guidance and Counseling Unit

- plans comprehensive programs for student welfare with the assistance of parents, guardians, teachers, administrators, and other concerned personalities and agencies;
- provides individual and group counseling to students with varied developmental concerns;
- conducts seminars / workshops based on the assessed needs of the students and develops, prepares, and disseminates informational materials related to these.
- keeps a systematic record of student information;
- establishes linkages with different agencies in order to partner with experts who are able to respond to the students' special needs; and
- conducts researches to enhance the unit's student welfare services.

● Student Housing Unit (SHU)

- provides accommodation to selected single freshman college students coming from far places who are not financially capable of paying rentals offered by outside lodging houses;
- provides accommodation to Graduate School students (Men's Dorm);
- contributes to the intellectual development of the residents by providing an atmosphere conducive for study, social interaction and group living;
- helps enhance the physical and social well-being of the residents, and
- provides opportunities for social advancement by emphasizing to proper conduct and responsibilities of each resident

● Testing and Material Development (TMDU)

- administers psychological tests to objectively evaluate incoming primary pupils, high school students and college freshmen to the curricular programs of the University;
- administers psychological tests to elementary, high school, undergraduate and graduate students for specific purposes;
- administers psychological tests to referred students as part of guidance and counseling, remedial raining and special education, and
- administers psychological tests to external clients as part of extension services.

● Vocational and Placement Unit (VPU)

- monitors programs for student employment such as the Student Assistantship Program and the Special Program for the Employment of Students (SPES);
- gathers information from graduating students which are useful in tracer studies and employment opportunities;
- conducts career counseling and career coaching to BSU students and other requesting schools, and
- facilitates the approval and dissemination of employment postings.

■ UNIVERSITY LIBRARY AND INFORMATION SERVICES (ULIS) DIVISION

The ULIS Division is committed to the achievement of BSU's vision, mission, goals, and objectives through higher quality services, resources and functional ICT through its technology-based services and technical services.

● Borrowing Privileges

1. Undergraduate students
2. Faculty and Administrator
3. Graduate Students
4. BSU Alumni/Visiting Users

BENGUET STATE UNIVERSITY CENTER FOR CULTURE AND THE ARTS

BSU has taken a significant step towards nurturing and amplifying the artistic talents of its students through the establishment of the Center for Culture and Arts (CCA). This dedicated center serves as a hub for the development and enhancement of various performing arts disciplines. Among the dynamic groups under the umbrella of the CCA are the Dramatics Arts Club KONTAD Dance Troupe, Sinagtala Dance Troupe, Marching Band, and the Rondalla. BSU not only provides a platform for students to express themselves through the arts but also fosters a vibrant and inclusive artistic community on campus.

Services Offered

■ Dramatic Arts Club

Follow us at:
f DAC Dramatic Arts Club BSU - Center for Culture and the Arts

1. Facilitation of workshops on basic acting, singing and chanting inspired by Cordillera indigenous culture.
2. Theatre performances utilizing traditional and contemporary forms

■ Sinagtala Dance Troupe

Follow us at:
f BSU CCA Sinagtala Ddance Troupe

Sinagtala, the dynamic dance troupe affiliated with the CCA of BSU, serves as the vibrant cultural ambassador for Benguet State University. Renowned for its captivating performances, Sinagtala proudly showcases its artistry at various levels, from local to national competitions such as CARASUC and PASUC. Beyond the campus borders, Sinagtala graces both internal and external invitations, demonstrating its passion for dance and dedication to artistic excellence.

1. Intermission in the following:
 - cultural programs in schools and other government agencies;
 - festivals;
 - special occasions such as weddings, birthdays, and anniversaries; and
 - events such as concerts, conferences, or community gatherings.

■ Marching Band

1. Intermission in the following:
 - School events: RAATI, University Intramurals, Local and Regional athletic meets, commencement exercise, foundation and charter day celebrations
 - Festivals in nearby Municipalities and Provinces.

■ Rondalla

- Practice: the group holds daily practices (individual and by section) for the core members.
- Training: the group holds a 2-month training for newly recruited members.
- Performances: the group is readily available to provide a 5–30-minute presentation for any event to include music of varied genres from ethnic/folk music, and OPM, to international music.
- Extension Activity: the group offers rondalla hands-on training with honorarium fee per hour to interested schools, out-of-school-youth, and non-government organizations.

BSU HYMN

Hail! Benguet State University
Our Alma Mater we love the best
To thee we raise our voices
Thy loyal sons and daughters are we
Thy lofty aims that thou possess
Lighting stars of culture made aflame
Over mountains, valleys, hills, and plains
We'll ever sing of thee
BSU! We hail thee
Alma Mater we adore!

BSU! We hail thee
Our guide forever be
Thy torches we'll hold up high
Grateful sons we'll ever be
Our love that shall never die
Will linger long and clear
More glories to thy name we'll bring
Let our duties noble and loving
BSU! We hail thee
Alma Mater we adore
Alma Mater we adore!

Lyrics by: Nicomedes A. Alipit Sr.

Music by: Demetrio T. Somera

BENGUET HYMN

Dear land of mine
underneath a starry sky
so close to God
where peace and love reign forever
up in the clouds
float her breast that heave and sigh her
golden crown dazzles the mist in the air

This is Benguet
rose of the northern mountains
May God keep her
safe and forever free
Land of the brave
where no evil foot could wander
Home of the free
where brotherhood is sown
Hail to thee! Province of Benguet...
My own

VISION

BSU as an International Smart University engendering graduates
to walk the intergenerational highways

MISION

BSU cares to:

Challenge Innovation, Advance Technology and Facilities, Revitalize
Administration, Engender Partnership, and Serve Intergenerational Role

GOALS & OBJECTIVE

Goal I: Challenge Innovation in the four-fold functions of the University

Objectives:

1. (Instruction) To provide quality education responsive to the needs of time
2. (Research) To enhance research productivity contributing to sustainable development
3. (Extension) To disseminate relevant research outputs and other scholarly activities consistent with BSU's mandated programs
4. (Production) To promote sustainable and appropriate resource generation strategies for the implementation of development plans
5. (Administration) To advocate for resource management and effective energy efficiency in addressing the demands of climate change

Goal II: Advance Technology and Facility by shaping the University become responsive to modern needs

Objectives:

1. (Instruction) To use information and communication technology learning resources to sustain and enhance quality of alternative teaching - learning continuity endeavors
2. (Research and Extension) To upgrade facilities and enable researchers/extensionists to conduct activities using specialized facilities
3. (Production) To acquire and update state-of-the-art facilities in the projects innovation
4. (Administration) To upgrade facilities and establish modern physical infrastructures

Goal III: Revitalize Administration by harmonizing performance monitoring, information, and reporting systems

Objectives:

1. To elevate the BSU PRIME-HRM to a level of excellence for good governance and efficient public service
2. To reinforce transparency, integrity, and objectivity in the delivery of service
3. To regenerate instruction, research, extension, production, linkages, governance, management, and policies
4. To streamline operations to be efficient, effective, and responsive to challenges and changes

Goal IV: Engender Partnership by proactively strengthening linkages

Objectives:

1. (Instruction) To establish academic partnerships with local, regional, national and international institutions providing educational opportunities for faculty, staff, and students
2. (Research) To increase and sustain university relations with academe, industries, GOs, NGOs, and LGUs for research funding
3. (Extension) To increase and sustain partnership with academe, LGUs, NGOs, industries, and others
4. (Production) To comply with existing laws, policies and other requirements

Goal V: Serve Intergenerational Role by revitalizing the Spiritual, Physical, Economical, Cultural, Intellectual, Emotional, and Social (S.P.E.C.I.E.S.) state

Objectives:

1. To offer programs that embody social, cultural, economical and developmental needs both for local and global markets
2. To champion local culture and languages in the University context through research, extension, and academic programs
3. To document best practices of the University
