7. Pursuant to RA 11313, the following shall likewise be complied with by the contractor:
- a. **To provide BSU, through the Physical Plant Office AND security office, with a complete list of all his/her/its workers and personnel with their respective complete addresses assigned in the construction/work site or university premises within 3 days from deployment;**
 - b. **Post a copy of RA 11313 and its summary in a language known to the workers, say in Filipino and/or Ilocano, in the workers' quarters, in a conspicuous place in the construction site expressly informing them that sexual harassment such as cursing, wolf-whistling, catcalling, leering and intrusive gazing, taunting, pursuing, unwanted invitations, sexist slurs, persistent unwanted comments on one's appearance, relentless requests for one's personal details such as name, contact and social media details or destination, the use of words, gestures or actions that ridicule on the basis of sex, gender or sexual orientation, identity and/or expression, the persistent telling of sexual jokes, use of sexual names, comments and demands are criminal offenses and are strictly prohibited;**
 - c. **Prior to deployment, conduct an orientation for all the workers deployed within the BSU premises expressly educating them of the prohibition of sexual harassment and that a violation thereof will result to criminal prosecution;**
 - d. **All workers shall be provided by the contractor and be required to wear at all times identification cards containing their picture and complete name which are visible within a range of 15 feet. It should also contain the signature of the head of the security services since the ID cards shall also serve as their gate pass in gaining access to the University compound;**
 - e. **In cases where workers will be living temporarily in the work site, the quarters shall be fully partitioned even with light materials such as but not limited to canvass, G.I sheets (excluding see-through materials) and completely secluded from classrooms or completely covered from public view;**
 - f. **Construction sites, as much as feasible, should be covered from public view at least 3 feet above eye level or at a height of at least 10 feet from the ground to minimize eye contact between workers and students or the public;**
 - g. **The contractor shall employ systematic means to confine the activities of the workers inside the covered or fenced construction site;**
 - h. **In no case shall consumption of alcoholic drinks or smoking or vaping be allowed inside the construction site;**
 - i. **Shall abide by the IATF and DPWH Safety Rules while the construction site is under or affected by a community quarantine due to COVID-19 Pandemic; and**
 - j. **Failure of the contractor to perform any of the foregoing duties may be a ground for suspension of works, termination of contract or imposition of liquidated damages without prejudice to the prosecution of the erring worker and the contractor under the provisions of RA 11313.**
8. The parties herein may, in writing, agree to any revision, alteration or addition to the terms and conditions of this agreement, provided the same shall not be in violation of the Procurement Law or any law, rule or regulation governing contracts on government infrastructure.

IN WITNESS WHEREOF, the parties or through their authorized representatives have signed this Agreement on the day and year first written.
