The following are the Undergraduate Degree Programs of Benguet State University

REMINDERS: The University has three (3) campuses (La Trinidad, Buguias, Bokod). Degree programs are listed under the campus where it is offered. Some of the courses are offered in two or more campuses; hence, take note of the campus where you are applying. Assess your degree choice wisely. Your examination result will be evaluated according to the choice of degree program you have indicated in this form. The degree program offered in the University has a cut-off score you need to obtain in order to qualify, however, you will also be ranked in the degree program you applied based on your BSUAT result. If your result does not qualify you on your preference you may look for other degree programs with available slot subject to the admission policy of the college, academic institute or campus.
