

BSU La Trinidad Campus has more or less than 606.9718 hectares of remaining land holdings. Its hub sits on the La Trinidad valley floor with a cumulative area of 109.9713 hectares distributed among 18 lots. The valley's elevation is measured at 1,300 meters above sea level (masl), giving temperatures ranging from 11 degrees Celsius up to 24 degrees Celsius.

Location, Land Area and Geographic Characteristics

The Buguias - Loo Polytechnic College was formally integrated to the Benguet State University by virtue of Republic Act No. 8292 or also known as the Higher Education Act of 1997.

The Buguias Campus also sits on the Loo Valley of Buguias at an elevation of 1,598 masl and an area of 10.9809 hectares across three lots.

With the implementing guidelines of the integration law, the Commission on Higher Education's (CHED) Memorandum no. 27 series of 2000, BSAT was integrated to Benguet State University on January 1, 2001 (now known as the Benguet State University - Bokod Campus), to which it offered the degree program of Bachelor of Elementary Education (BEE) on June 2002 and had its first graduation on April 4, 2006

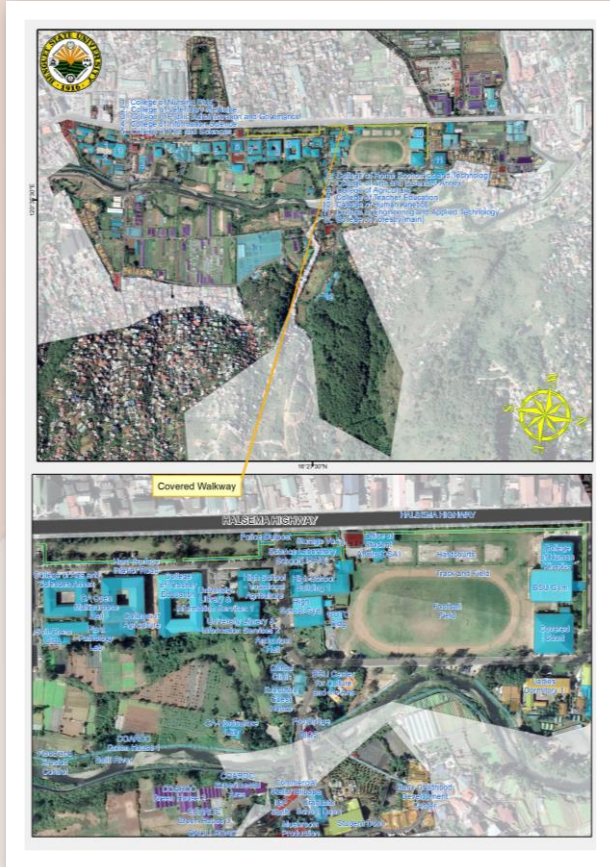

Benguet State University is nestled in the heart of La Trinidad, Benguet, the strawberry capital of the Philippines.

BSU La Trinidad Campus has more or less than 606.9718 hectares of remaining land holdings.
