

CENTER FOR GEOINFORMATICS

Trainings conducted:

Title	Date	No. of Participants	Training Host/Agency
Training on the Application of Geographic Information System (GIS) in Natural Resource Management A Refresher Course	August 23-25, 2022	30	Center for Geoinformatics
Introductory Training on Remote Sensing, Land-Use and Land Cover Change Analysis, and Drone Mapping (Batch 2)	July 18-22, 2022	31	Center for Geoinformatics ATI-CAR
Training on Quantum Geographic Information System (Batch 2)	June 27-30, 2022	26	Center for Geoinformatics ATI-CAR
Training on Quantum Geographic Information System (Batch 1)	June 20-23, 2022	15	Center for Geoinformatics ATI-CAR
Training-Workshop on Basic GIS for Mapping and Risk Assessment of Apayao	June 14-16, 2022	33	DOST CAR, CIEERDEC, PDRRMO-Apayao, Center for Geoinformatics
Participatory Mapping of Selected Crops in Apayao Province and Training on the Application of Geographic Information System (GIS) on Climate-Risk Vulnerability Assessment	May 24-26, 2022	20	Center for Geoinformatics
Provincial Training-Workshop on Basic GIS for Mapping and Risk Assessment for Mountain Province	May 4-6, 2022	31	DOST CAR, CIEERDEC, PDRRMO-Mountain Province, Center for Geoinformatics
Introduction to Application of Remote Sensing and Unmanned Aerial Vehicle (UAV)/Drone in Agriculture	April 25-29,2022	25	Center for Geoinformatics ATI-RTC-CAR
Provincial Training-Workshop on Basic GIS for Mapping and Risk Assessment for Ifugao Province	April 19-21, 2022	25	Center for Geoinformatics and CIEERDER, DOST- CAR
Training on the Application of Geographic Information System (GIS) on Disaster Risk Reduction and Management	March 16-17, 2022	20	DA-RFO-CAR and Center for Geoinformatics
Provincial Training-Workshop on Basic GIS for Mapping and Risk Assessment for Benguet and Baguio City	December 1-3, 2021	45	Center for Geoinformatics and CIEERDER, DOST- CAR, PLGU Benguet
Training on Data Processing of Geo-tagged Coffee Areas Using GIS and GPS for AEWs of CAR (Phase 2)	November 8- 12,2021		Center for Geoinformatics and ATI
Training on the Introduction of UAV and its Application in RDE	September 24,2021	52	Center for Geoinformatics and CorCAARRD

Training on Geoprocessing and Geotagging of Coffee Areas/Trees for Agricultural Extension Workers (AEWs) of CAR	November 8-12, 2021	29	Center for Geoinformatics and ATI
Training on the Applications of Geospatial Technologies in Watershed Management and Hydrologic Modelling for Streamflow, Soil Erosion, and Small Scale Irrigation Systems: Use of the Soil and Water Assessment Tool (SWAT) and ArcSWAT	May 26-29, 2021	37	Center for Geoinformatics
International Virtual Conference on the Application of Geoinformatics in Agriculture, Forestry, and Natural Resources Management	May 6, 2021	294	Center for Geoinformatics
Training on the Introduction to Remote Sensing and its Applications in Agriculture, Forestry and Natural Resources	March 22-26, 2021	35	Center for Geoinformatics
Webinar on Precision Agriculture	February 18, 2021	82	Center for Geoinformatics College of Forestry
Training on Climate-Risk Vulnerability Assessment (CRVA), Climate-Resilient Agrifisheries (CRA), and Cost Benefit Analysis (CBA) for Adaptation and Mitigation Initiative in Agriculture (AMIA) in CAR	August 4-6, 2020	25	Center for Geoinformatics
Training on the Application of Geographic Information System on Research and Extension	July 28-30, 2020	35	Center for Geoinformatics
Training on QGIS Mapping, Data Management and Spatial Analysis	January 22-24, 2020	20	Center for Geoinformatics and NPRTTC
Project Identification Workshop for the Community-Based Flood Risk Management Project (CBFMP) for Abra River Basin	15-Jan-20		CBFRMP
Project Identification Workshop for the Community Based Flood Risk Management Project (CBFMP) for Abra River Basin	10-Jan-20	12	CBFRMP
Project Identification Workshop for the Community-Based Flood Risk Management Project (CBFMP) for Abra River Basin	9-Jan-20	13	CBFRMP
Multi Stakeholder Validation and Consultation Seminar	October 29,2019	50	CBFRMP
Climate Risk and Landslide Vulnerability Assessment using Geographic Information System in Biodiversity Mapping and Monitoring	October 24-26,2019	50	PABIDACO
Training on Geoprocessing and Geotagging of Coffee Areas/Trees for AEWs of CAR	June 25-28, 2019		ATI
Open Source Mapping/GIS Training	March 27-28, 2019	50	JVOFI
